

August 24, 2016

Dear Friends of St. Joseph School,

On behalf of the children and families of St. Joseph School, I want to personally thank you for your past support of our mission. I am also proud and excited to extend an invitation to partner with us through your participation in our annual golf tournament. This year it will be held on September 30, 2016 at Olde Scotland Links in Bridgewater, with dinner following in their newly built clubhouse.

Through the generosity of people like you, our golf tournament has raised money to directly support the learning and high achievement of our students – over \$100,000 since I began as principal at St. Joseph School! Specifically, this money has been used to support technology in the classrooms through the purchase of SMART Boards, laptops, and upgrades to our technology infrastructure. It has also funded student enrichment programs in history, science, and the arts, organized collaboratively by parents and teachers. *This year the proceeds will continue to assist with these vital needs and the goal of purchasing one-to-one technology for our grade 7 and 8 students next year.*

God has blessed us by sending us many gifted men and women who have organized, participated in, and supported our tournament over the years. We would like the opportunity to share with you our mission, and the various ways you can partner with us through the golf tournament this year to positively impact the lives of the wonderful children in our care. They are our future leaders, and what we give them today will impact all of us tomorrow!

Enclosed is an overview of the 2016 tournament sponsorship opportunities. We would greatly appreciate you taking time to consider in what way you or your company could support St. Joseph School. In the coming weeks we will follow up with you personally. Until then, please do not hesitate to contact us with any questions you might have.

Please know of our continued prayers for you and your families.

Sincerely in Christ,

Gretchen Hawley, Ed.D.
